### ***Teacher Career Fair Slated for Saturday, March 25***

The Stanislaus County Office of Education (SCOE) is hosting a **Teacher Recruitment Job Fair** on **Saturday, March 25 from 8:30 a.m. - noon** at SCOE's downtown offices, 1100 H Street, Modesto. This year's job fair is open to *fully-credentialed teachers* or *intern-eligible candidates and credential completion candidates* by August 2017 (verified by Program Completion letter or Intern Eligible letter) who pre-register on-line by Wednesday, March 18 at [www.edjoin.org](http://www.edjoin.org). Admission is free. (Candidates who do not pre-register will be admitted into the fair at 10:00 a.m.)

School districts, including private and charter schools, SCOE, and colleges, will be on hand to fill positions for the 2017-18 school year. On-site interviews will be conducted by many districts so candidates should bring a complete application packet consisting of:

- Copy of online Ed-Join application
- Resume
- Copy of Transcripts
- Copy of Valid credential(s) or a letter from a university or district Intern Program stating eligibility from their program or credential program completion letter

Teachers looking for a position at a specific school district will have an opportunity to ask questions regarding benefits, retirement, and salary. "Teachers coming to the Job Fair will have face-to-face contact with Human Resources staff and administrators to get their questions answered," said Suzanne Lazar, Credential Analyst at SCOE.
